#### Westborough Garden Club

Ninety-three years ago, the Westborough Garden Club was founded by Mrs. Kenneth Craig. The Club has seen many changes over the years, but our commitment to community beautification, education and scholarship has been consistent. It is the contributions of each member that makes the club successful. We need every member to participate to the best of their ability to keep our club going strong.

The Westborough Garden Club generally meets on the fourth Wednesday of each month at the Westborough Senior Center, 4 Rogers Road, in Westborough. Our meetings typically start with social time at 6:30 pm; at 6:45 the business meeting begins; and at 7:00-7:15, we start our scheduled program. Meetings are open to the public where noted.

Executive Board meetings are generally held on the second Wednesday of the month. Members are always welcome. If you wish to attend a meeting, please contact an Executive Board member.

The Westborough Garden Club maintains a membership to the New England Botanic Garden at Tower Hill. There are 2 membership cards (each good for 2 members) that may be borrowed by garden club members for free general admission. Please contact Gina if you wish to use them.

#### Co-Presidents' Message

Welcome to our 93<sup>rd</sup> year of collaborative gardening! This year we will continue our efforts to optimize the member experience and fulfill the club's mission. After trying October last year the fall potluck dinner will move back to September as that seemed a better fit. The Holiday Festival will remain on Thursday night but be modified to a simpler format, and we will again focus on creativity as opposed to quantity for our holiday greens arrangements. For the spring plant sale we will continue to stress greater plant diversity in our offerings. In addition to a variety of speaker programs, the most popular activities will continue to be emphasized including field trips and garden visitations.

Last year we tested out a school grant program that was highly successful, with eleven grants awarded for a variety of projects such as pollinator gardens and a nature trail. The grant program will continue this year in conjunction with our traditional scholarship program.

Happy Gardening to all!

-Glenn Hong and Robin Fleming

Members will share materials for crafting holiday swags, centerpieces and wreaths, which will be prepared for sale at the upcoming (Thursday again) Holiday Festival. We will get creative, help and be helped by our experienced member-arrangers, and draw inspiration from one another.

Remember to bring your gloves, clippers, wire, and greenery from your yard, as well as any unique containers, ribbon and decorations that you can share or donate. Be prepared to arrive a little early, and stay afterward to help with cleanup, if possible.

Set-up beginning at 3:30,
Open to the public 6:00 pm to 8:30 pm

This year we are scaling back, and will hold our regular event, with greens for sale, refreshments provided by the club, and a fabulous raffle of gifts, certificates and items donated by Westborough businesses and individuals. However, there will be no break in sales for a speaker.

All members are expected to help in the preparation, as well as helping with set up, selling at the Festival, and cleaning up afterward. Those who cannot attend will still be expected to donate greens and refreshments, or help in some capacity... all hands on deck! This fund-raiser requires a little effort from all of us, but is great fun!

## Ikebana-style Flower Arranging With Mary Beth Hayes

Westborough Senior Center, 4 Rogers Road 6:30 pm social time 6:45 business meeting, 7:15 program

Mary Beth is the owner and principal creator of *Semper Virens Flowers*, in North Chelmsford. Mary Beth has studied Ikebana (Ohara School), which helps her to see and express the essential nature of each flower. Ikebana design favors asymmetry, with great attention to the lines and negative space created within the arrangement. She is looking forward to using local Spring flowers, and inspiring you to use your own blooming flowers in simple, thoughtful arrangements.

We need participation by all, in whatever way you can help. Signups will commence at the February/March meeting. Don't forget to wear your apron, your hat, and your smile!
